The 2011 Rockdale Swim League Information Package

Introduction

The Rockdale Swim League is made up of swim teams associated with neighborhoods, subdivisions, or athletic clubs located within and around Rockdale County, GA. The purpose of the Rockdale Swim League is to provide and operate a summer league swim program. The Rockdale Swim League adheres to the USA Swimming Rules and Regulations where appropriate unless specifically outlined herein. Swim League membership is open to any team who makes formal application to, accepts the By-Laws and abides by the Rules and Regulations of the Rockdale Swim League, and is approved by a majority vote of the Rockdale Swim League Board. These Rules and Regulations have been established in order to provide a fair and equitable atmosphere for competitive swimming.

2011 Executive Board Members:

President	Brady Ward (Meadowbrook)
Co-Vice Presidents	Tracey Horton and Shawn Willette (Deer Run)
Secretary	Erin Gorman (Covington YMCA)
Treasurer	Chris Eble (Brentwood)

Mission Statement:

The intent of the Rockdale Swim League (RSL) is to provide a recreational summer swim program for children and youth ages 5-18 with an emphasis on enhancing individual swim techniques and strokes, water safety, and sportsmanship. The summer league is open to all children and youth that are members of a sanctioned swim community.

The league members are made up of qualifying swim club/communities. Each swim club participates in dual meets during the summer. Through a partnership with the Rockdale County Parks and Recreation Department swimmers may extend their swim experience by participating in the District and State swim meets hosted and organized by the Georgia Recreation and Parks Association (GRPA). The program is organized and managed by the Rockdale Swim League Board; a volunteer board comprised of one voting representative from each participating swim community and is governed by its Bylaws and Rules and Regulations.

The Rockdale Swim League wishes each team and each and every swimmer the very best this season. Good luck, swim hard and have a great time!

ROCKDALE SWIM LEAGUE

RULES and REGULATIONS

I. Health and Safety of Participants

- a. **Alcohol and Tobacco Products:** The Rockdale Swim League adheres to USA Swimming Rules and Regulations which states that sale and use of any alcohol and tobacco products is prohibited in all areas of the venue, including, but not limited to, the pool deck, locker rooms, spectator seating or standing areas, and all areas used by swimmers, during the meet or during warmup periods in connection with the meet.
- b. **Open Wounds or Blood:** The Rockdale Swim League prohibits the participation in any event of a swimmer who has a bleeding wound or open sore. Before a swimmer is allowed to participate, the wound must be dressed with a waterproof bandage. The dressing of the wound must not delay the meet or the swimmer will be disqualified for delay of meet.
- c. **Inclement Weather Policy:** Coaches and board representatives from both teams will be involved in all weather-related decisions. If they cannot come to a unanimous consensus, the host team makes the final decision.

Early call: Up until 4p.m. the day of the meet, coaches can choose to reschedule.

Mid-meet call: Allow 45 minutes of thunder. If thunder continues, cancel the meet.

Late call: If meet is not cancelled by 4 p.m., participants will wait until 6:45 to make a decision. This means that if it thunders at 6:45, the meet start time is 7:15 p.m. In this situation, there will be no warm-ups. If it thunders after 6:45, the meet must be cancelled/rescheduled. Coaches and reps should decide that night, if and when to reschedule so swim families can be notified as soon as possible. One person should be designated to determine availability of pool facilities on the make-up night. Meets must be made up before the county meet.

II. Code of Conduct

- **I will set an example of good sportsmanship for my child.**
- **I will conduct myself in a respectful manner at all swim practices and meets.**
- **I will not approach any coach or official in a negative or disrespectful manner.**
- **I will place the emotional and physical well being of my child ahead of my desire to win.**
- **I will accept meet results and will not criticize the actions of the coaches, officials, or other league and team representatives.**
- **I will do my best to make swim team a fun and enjoyable experience for my child.**
- **I will treat other teams in a manner in which I expect to be treated.**
- **I will provide support for all coaches and officials working with my child.**

I understand that by agreeing to each of the above statements, I am helping to create a positive and fun environment that fosters learning and growth for my child. I agree to only behave in a way that supports this type of environment. I understand that I will be held to these standards by governing officials and I may be asked to leave an event if I cannot comply.

III. Swimmer Eligibility

- a. **Team Membership**: Swimmer-athletes may only participate on one team in the Rockdale Swim League for dual and county meet. Each swimmer-athlete must pay a registration fee of \$5.00 to the Rockdale Swim League. The fees will be collected by each swim team and submitted to the Rockdale Swim League.

Members of the swim team must be dues paying members of the club, pool, or association. Swim teams may accept “Swim Team Only” memberships from swimmer-athletes who live outside that community, provided the respective community association or homeowners’ associations sanction such memberships. The swimmer-athlete seeking a “Swim Team Only” membership shall not live in a community/neighborhood that already has a swim team. Paid coaches are not required to be members of the club, but may swim as athletes for their team, provided that they meet the age requirements.

- b. **Age Group/Eligibility**: The minimum age for participation by a swimmer-athlete in the Rockdale Swim League is five (5) as of June 1 of the current year. A swimmer-athlete’s age-group will be based on their age as of June 1 of the current year. This rule complies with the ruling from GRPA (Georgia Recreation and Parks Association).

In individual events, a swimmer can swim up one age group, but must stay in that age group for the entire meet. In relay events, a swimmer may move up an unlimited number of age-groups; however, at least one swimmer on the relay team must be age appropriate for the relay to swim. This applies both to dual meets and county meet.

The age groups for swimmer-athletes in the Rockdale Swim League are as follows:
6 & under, 7-8, 9-10, 11-12, 13-14, 15 to 18.

These age groups apply for both dual meets and county meet.

Swimmers in the 6 and under age group only earn points for individual freestyle, freestyle relay, long free, and backstroke events. Swimmers who choose to swim long free or IM at dual meets will swim this event in the “8 and under” category. This only applies for the long event at each meet. All other individual and relay events will be swum in a “6 and under” category.

IV. Dual Swim Meets

- a. **Meet Format**: It is the responsibility of the visiting team to provide a meet line-up by email, readable CD, or USB flash drive to the home team **by noon on the day prior to the scheduled meet**. A violation of this rule could result in a forfeiture of the meet by the offending team. Scratches and late entries will be accepted if made at least 30 minutes prior to the start of the meet. Late entries will only be accepted if open lanes are available. No new heats will be created for late entries. Swimmers will not be allowed to change events.
- b. **Meet Volunteers**

- ***Timers***: The hosting and visiting team will provide one timer per lane. It is the Rockdale Swim League Dual Meet Policy to use one timer per lane for each heat. Once the first heat is completed the first set of timers will step back in order to record their times with the Head Timer and the second set of timers steps in to time the next heat. Each set of timers will alternate in this manner throughout the entire meet.

- **Back-up Timer:** The hosting team will provide a back-up timer in case of a watch malfunction or human error.
- **Finish Judge:** The hosting and visiting team will each provide one finish judge for the meet. The role of the finish judge is to judge the finish of each race. Each judge will have copy of the meet program including a line for results. The finish judge will be required to list the order of the finish by lanes. In the event of a tie in times, the finish judges' determination of order of finish will determine the outcome of a tied or time contested race and, therefore, the winner of the race. In the event the finish judges do not agree, the race will result in a tie.
- **Stroke and Turn Official:** Each team will provide one stroke and turn judge.
- **Clerk of Course:** Each team will provide one clerk of course to supervise the meet.
- **Ribbons:** The hosting team will provide person(s) to work at the scorer's table to collect and label the appropriate ribbons for their respective team.
- **Starter:** The hosting team will provide the starter. The starter may use a bullhorn, electronic starting device, or whistle to start each heat. At least one starter from each team will attend a Starter's Clinic at the beginning of the season in order to insure uniformity in starting procedure throughout the swim league.

NOTE: Stroke and Turn Officials must attend preseason training to be certified for summer league. If a team does not have a certified official available for a meet, the opposing team may provide both. If 2 certified officials are not available, the meet must be swum as exhibition only. Swimmers' times earned will not be considered official times and may not be submitted as county seed times. Ribbons may still be awarded for 1st, 2nd, and 3rd place.

- c. **Order of Events:** The Rockdale Swim League will incorporate a long event to begin each dual meet. **Monday** meets of the season will swim the **100 yard Individual Medley** (butterfly, backstroke, breaststroke, and freestyle). **Thursday** meets will swim the distance **Freestyle** (50 yards for 10 & under, 100 yards for 11 & over). If the dual meet is postponed or re-scheduled, the long event will remain the same as the originally scheduled meet regardless of when the postponed or re-scheduled meet is swum in the season.

The order of events for each dual meet is as follows:

- The assigned Long Event for that meet (either Individual Medley or Long Freestyle)
- Medley Relay
- Freestyle
- Butterfly
- Backstroke
- Breaststroke
- Free Relay

The 10 & under age-groups will swim the four basic strokes in lengths of 25 yards, or one length of the pool. The 11 year olds & over will swim the four basic strokes in lengths of 50 yards, or two lengths of the pool.

The Individual Medley will be 100 yards for all age groups. The relays will be 100 yards for ages 10 & under and 200 yards for ages 11 & over.

Each swimmer is limited to 3 individual events and 2 relays per meet. All age-groups will start at the deep end of the pool. (Timers will change ends of the pool as needed).

d. Scoring

	<u>Individual Event Points</u>	<u>Relay Points</u>
1 st Place	5	7
2 nd Place	3	0 (ribbons awarded)
3 rd Place	1	0 (ribbons awarded)

6 & under age group - points awarded only for individual freestyle, freestyle relay, long free and backstroke events.

Exhibition swimmers must be listed on the swim meet roster and they cannot earn points for their team. No heats will be created to accommodate exhibition swimmers.

- e. **Awards:** Ribbons awarded for 1st, 2nd, and 3rd place. Exhibition and heat winner ribbons when appropriate.
- f. **Technical Rules:** The Rockdale Swim League will adhere to USA Swimming technical rules except as specifically contradicted herein.

Starts: The Rockdale Swim League will incorporate whistle starts for each dual meet, county relays, and county meet as outlined in USA Swimming Rules. The referee/starter will use the following format to signal the “start” of each heat:

Short series of whistles (4 or 5 short whistle blasts) – signals swimmers to remove all towels, shoes and clothing (except for swimwear) and prepare to swim.

One long whistle blast – signals swimmers to step-up on the blocks and remain there. In the case of individual backstroke the swimmer will enter the water and grasp the starting bar or side of the pool. Once the swimmer is in the water and has taken his/her starting position, a second long whistle blast will be sounded by the starter/referee to signal the swimmer to “Place Your Feet”.

“Take Your Mark” (Voice command from starter) – signals swimmers to take their marks.

Single Blast from Starting Device – electronic starting device, bullhorn or whistle indicates start.

False starts: All age-groups will be allowed one false start charged to the field. There will be a disqualification for the 2nd false start.

Any child may start from the blocks or next to the blocks, or in the water at the deep end of the pool. Any swimmer diving into the shallow end of the pool will be disqualified unless the pool meets minimum depth standards for diving at both ends.

Eligibility: Each coach is responsible for determining that each swimmer on the team is capable of swimming ONE length of the pool without assistance. **NO** swimmer should be put in the water without meeting this requirement. Without assistance means that no one can assist the swimmer during the lap and no floatation device may be worn. For obvious reasons, any swimmer in trouble may grab the rope or would be assisted if necessary to avoid harm.

Head Buffering: Timers or parents may be allowed to "buffer" the heads of 6 and under swimming backstroke if necessary; however, if such "buffering" causes a rule infraction then the swimmer will be disqualified. This is true for the dual meets and county meet. In any other age group, such touching is not allowed and will result in a disqualification of the swimmer.

Relays: For the relay events, the swimmer's names may be changed at any time prior to the event being called to the blocks as long as they meet the age group qualification for the relay that is entered. In addition, the 6 & under boys relays may be swum as co-ed (including 6 & under girls) and will be scored as a boys event. Relays for the 15 and over age group will be scored as follows: If one or more male swimmers swim the relay, then the team is swimming for male points. If all four swimmers are female, then the team is swimming for female points even if the events are swum simultaneously.

No swimmer shall swim outside of his/her assigned event, heat and lane at any time during the meet. The meet starter/referee may combine heats to expedite the meet but will not do so to accommodate the needs of any individual swimmer.

V. Rockdale County Championship Meet

- a. **Eligibility and Technical Rules:** Age group eligibility and technical rules are the same for the county championship meet as are stipulated for the dual meets except as noted herein. The county meet entries are administered using the league approved software package.
- b. **Entry Requirements:** The county meet is open to all swimmers who are on a team's roster by the 3rd meet of the schedule. Any swimmer, who joins a team after the 3rd meet, must swim at least two dual meets to be eligible to swim in the county meet. Late entries will not be accepted. Swimmers will not be allowed to change events after the psych sheet has been distributed to coaches.
- c. **Meet Requirements:** The Rockdale Swim League is responsible for planning and conducting the County Meet at the end of the scheduled swim season. A neighborhood pool within the Rockdale Swim League may be selected as the host pool for the county meet OR it may be held at the Rockdale County Pool Facility (Johnson Park). Each team will be required to furnish volunteers to work the meet. The list of volunteer services are as follows: Timers, Finish Judges, Stroke & Turn Judges, Starters, Bullpen, Clerks of Course, Awards, Computer Entry, T-shirt & Heat Sheet Sales.
- d. **Meet Scoring:** The scoring for the county meet will include the top eight (8) places for individual events and the top three (3) places for relay events. The points awarded for each place is as follows:

Place	<u>Individual Points</u>	Place	<u>Relay Points</u>
1 st	10	1 st	7
2 nd	8	2 nd	5
3 rd	6	3 rd	4
4 th	5		
5 th	4		
6 th	3		
7 th	2		
8 th	1		

- e. **Order of Events:** The individual events and the relay events for the Rockdale County Championship Meet may be swum in separate shorter sessions or may be swum together as a single session. The meet starter/referee may combine heats to expedite the meet but will not do so to accommodate the needs of any individual swimmer.

The order of individual events for the county championship meet will be as follows:

Long freestyle (50 yards for 10 & under, 100 yards for 11 & over)
Medley Relay (100 yards for 10 & under, 200 yards for 11 & over)

- f. **Relays:** Relay teams must submit a card to the bullpen clerk with the names of each swimmer. The names may be changed at any time prior to the event being called to the bullpen as long as they meet the age group qualification for the relay that is entered. Once the event has been called to the bullpen, no substitutions may occur. In addition, the 6 & under boys relays may be swum as co-ed (including 6 & under girls) and will be scored as a boys event. Relay events for the 15 & over age groups will be swum using the same co-ed rules as for dual meets.
- g. **Awards:** Awards will be presented following the Rockdale County Championship Meet:

2011 Rockdale Swim League Rules and Regulations Waiver Statement

I have received and read the 2011 Rockdale Swim League Rules and Regulations. I understand that these Rules and Regulations will be followed during each dual meet and the final County swim meet. I understand the Rockdale Swim League and its Board are volunteer organizations which exist for the sole purpose of providing fun, recreational and competitive swimming. In the event of an accident, misinterpretation of the Rules and Regulations, misunderstanding or other similar circumstance, I agree to hold blameless the Rockdale Swim League, the Rockdale Swim League Board members, the individual Swim Team Representatives, Coaches and Team Volunteers during any swim team practice, dual meet, or authorized Rockdale Swim League event. I also agree that, in the event of an emergency, the Rockdale Swim League, the Rockdale Swim League Board members, the individual Swim Team Representatives, Coaches, and Team Volunteers may seek emergency assistance for my child/children.
